

# Zelig by Rossetto

A modular seating system from ChairSolutions

# Zelig by Rossetto

ChairSolutions new modular seating system designed by Rossetto, consists of three base sizes, each configured with your choice of foams and/or tops. To be creatively arranged and connected to suit your office, reception, waiting-area, or foyers space requirements. Configure for your pre-existing or upcoming architectural space – top it off with your fabric choice.

In-stock and ready to upholster now. Bases and table top in raw or painted beech wood. Option to fix and unfix bases together using a bracket.

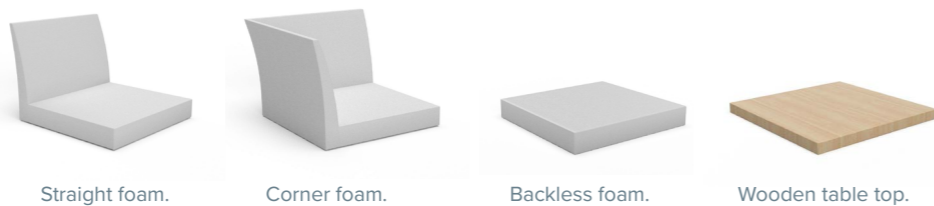

To assist you and your customers ChairSolutions offers visualisations of your unique configuration. Contact us for assistance.

2D and 3D CAD files available at <http://chair.solutions/zelig>
