

## Specifications

---

The Crystal laptop station is ideal for any laptop user whether it's at a fixed work station, a "hot desking" situation or for the home office.

It serves to improve the the body posture and comfort levels of the user, positioning the laptop correctly in the line of sight.

There are five easy to use adjustable height settings, allowing for multiple users.

A copyholder on the face of the product makes this an all in one workstation.

All laptop ports are easily accessible.

Manufactured in clear strong acrylic.
