PROWITE and WITAX Professional Flipchart Easels

PROWITE and WITAX Professional Flipchart Easels

PROWITE™ and WITAX™ Flipchart Easels are a must for presentations. Add a professional touch to your display or exposition with a mobile flipchart easel.

These frames are a strong tubular steel construction with extendable centre pole and 5-caster base, all in smart black powder-coated finish.

They come with a 700x1000mm whiteboard, finished in PROWITE™ Porcelain Enamel. The whiteboards feature a flip-chart clamp at the top and come with a FREE 30-page presentation pad.

Their executive style and sturdy design makes them a great choice for conferences, boards rooms or exhibitions.

Also available is a folding flip-chart whiteboard with WITAX™ Premium Acrylic surface, very stable and transportable.

Replacement pads are also stocked.
