Features

Videos

- Revolutionary Omnipress technology means you can press anywhere on the stapler body with much less force than conventional staplers.
- Super Flat Clinch technology ensures that the resulting staple is not only perfectly released but also perfectly flat, for up to 40% slimmer paper stacks
- Designed for hands, not just desks. As comfortable to pick up and use as using on a desk.
- Staples up to 30 sheets
- 40mm insertion depth
- Full Strip
- Takes Rapid Omnipress 30 Staples
- Boxed
